About Us

The Becky Walker Scholarship Foundation was founded in memory of Becky Walker - our mother, wife, sister, daughter and friend - who passed away from Pancreatic Cancer in February of 2019. We are a non-profit 501c3* organization providing scholarships to graduating seniors at Title I schools in Tampa, FL. Becky was the science department head at one of our participating schools - Spoto High School.

In past years, we have distributed between 1-4 scholarships of \$10,000 over a four year period to seniors who demonstrate exceptional academic and extra-curricular achievement, community service, and the financial need for tuition assistance. Through our new partnership with Florida Pre-Paid, we are now able to leverage their matching program and increase that amount to \$18,500 per student.

Our goal is to raise enough funding to gradually expand to all Title I Schools in the Tampa Bay area. We currently serve students at Spoto and Leto High Schools, distributing 4 new scholarships a year.

Our Mission

We honor the memory of Becky Walker — our mother, wife, sister, daughter and friend — by giving students opportunities to pursue their purpose and passions. We recognize the achievements of students who demonstrate exceptional scholastic performance by removing economic barriers to prosperity.

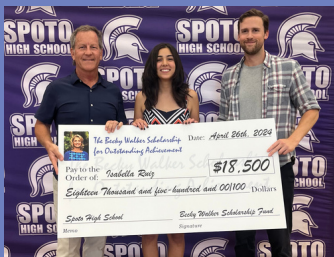

Our Vision

To change lives through the power of community.

Events

2021 Bash

The first annual Bash was held at the Tampa Garden Club on October 29th, 2021. With over 450 attendees, we raised a net \$123,000 for the recipients of the Becky Walker Scholarship for Outstanding Achievement. We featured 4 live bands - Trae Pierce & the T-Stones, Lou's Lips (including Thompson Brandes, Becky's oldest son), Connor Zwetsch and Allen Hunt - as well as the Spoto High School cheerleading squad! In addition to music, we had 16 local food + drink vendors set up around the property serving a variety of wine, cocktails and cuisines.

2022 Bash

Continuing the momentum in 2022, the second Bash was held at Buccaneer's Cove in Raymond James Stadium. With almost 600 tickets sold, we raised a net \$130,000 for the recipients of the Becky Walker Scholarship for Outstanding Achievement. Our featured bands included Shevonne + the Force, Lou's Lips and Ed John. We served a Cuban focused culinary spread with wine, liquor and beer from our sponsors. as well as hosted a silent auction and 50/50 raffle for our attendees!

Past Events

2023 Bash

Our 3rd annual event was held on October 27th at Tabellas at Delaney Creek, a private outdoor oasis with six acres of gated grounds surrounded by Florida nature. We were thrilled to bring on stage our headliner Neal Francis along with openers George Pennington and, of course, Lou's Lips. In addition to the live music, we had a silent auction, a variety of games, activities and vendors such as

Chill Bros ice cream and Mike's Pies alongside our full culinary spread by Catering By The Family and an open bar (21+) all night. We had our wonderful scholarship winners take the stage and at the end of the night and raised a record \$180,000!

2025 Bash

With the decision to move the Bash to the Spring time, we are thrilled to bring back the Bash at the Tabellas at Delaney Creek venue. This venue provided us the opportunity to have a platform stage for our bands, areas for activities and games, as well as fully catered food from Catering by The Family and other vendors. We are looking forward to releasing our music lineup and sponsorships opportunities to make this year even bigger and better!
